

Increase Appointment Show Rates up to 79%

It is exciting to see how the use of IntellaCar at Joyce Koons Honda Buick GMC has given them a competitive edge, with an **above average show rate of 60%**, higher than the national average of 44%.

Philip Marinakos, sales consultant, has achieved an even more impressive **appointment show rate of 79%** by interacting with his customers through personalized introduction videos, before they even enter the showroom floor. This has made him one of the top salesmen in the dealership.

See how Philip brings in leads using IntellaCar and creates an exciting customer experience!
